

CUERNAVACA: THE CITY OF ETERNAL SPRING

- Home to two of Mexico's most important historical figures: *Moctezuma*, the Aztec Emperor, and *Hernan Cortes*, the Spanish conqueror .
- Location:
 - * 70 km south of Mexico City,
 - * 30 minutes away from the Pyramids of Xochicalco
 - * 30 minutes away from the mystical town of Tepoztlan
 - * 3 hours away from Acapulco.
- Known as the "City of Eternal Spring" due to the year-round warm climate.
-
- Weather: Ranges between 18°-32°C (65°-85°F).
-
- Population: approximately 360,000.
-
- Has been a summer getaway destination since Pre-Hispanic times.
