

# The Manhattan Institute of Management

The **Manhattan Institute of Management** was founded as a non-profit organization in 1984 as a private higher learning institution committed to offering students a high quality, global business education. **MIM** offers our students a real opportunity to gain insight into the meaning of business success, in New York and around the world. In the past 26 years, over 5,000 students from almost every country on earth have stepped through the gates of MIM's downtown campus, located at 25 Broadway, adjacent to the world-famous "Wall Street Bull."

## Why MIM?

Whether you are a foreign student that is matriculated in a foreign university, a foreign student looking to expand your horizons by studying abroad, or a domestic student looking to study in the center of the business world, there are a number of reasons to study at MIM:

- Friendly atmosphere and a high level of personal attention
- High quality programs and a focus on academic achievement
- Combine theory and practice
- Receive Your I-20
- Highly credentialed professors
- Student life in New York is second-to-none
- Located in the heart of one of the world's most dynamic business cities

The programs are designed to develop skills, knowledge and problem-solving techniques which employers seek. Many of our alumni say this applied focus was the main reason they chose

MIM over other educational institutions.

At MIM, you will have a chance to develop true and lasting friendships with students from all over the world. Most importantly, you will be transformed from being a successful business student to becoming a successful business person.

*"Having an academic and professional experience in New York is one of the most valuable experiences that a student can ever be given." ~Eric Colnago, Former Student*

*"New York is a city of action! It's fast and full of energy, the best place to be trained for your future professional career. MIM helped me just to do it!" ~Natasa, Former Student*

*"The program at MIM is excellent. The teachers are very patient and have a great attitude. I have a background in biology, and, for my internship, I worked in medical publishing. It was an excellent opportunity to learn some key skills in my chosen profession." ~Anne Pradoura, Former Student*

*"New York has been a great experience. I am interested in pursuing a career in the field of finance, and with the help of MIM, I found an internship in the Finance Department of Plus Funds. I worked with the Director of Finance on the monthly report, ratios, databases, and many other areas. My internship has helped me to realize my career ambitions, and I intend to pursue a career in finance. I am grateful to MIM for their help and support!" ~Aurelie Gouriten, Former Student*
