# 3-Week Intensive Korean Language Program

서울대학교 언어교육원 한국어교육센터  
Korean Language Education Center (KLEC)  
Language Education Institute (LEI)  
**Seoul National University**

**Aug 1-19, 2011**

## Introduction

**A three-week adventure through the Korean Language,  
The fast way to improve your Korean**

This three-week intensive program is highly recommended for adults who want to learn the Korean language and make maximum progress in a short period. The intensive program includes 60 hours of class time in total and provides students with opportunities to learn contemporary Korean. Students will be able to learn Korean language for academic or professional reasons. They will discover an improvement in their Korean language skills in a short period of time.

The Language Education Institute [LEI] of Seoul National University has a long history of carrying out prestigious Korean language and culture programs. The institute has a reputation for managing intensive and widely-recognized programs such as the Malaysian Students Program, the Korean Language and Culture Program for Diplomats, the Keio University Students Program, and others.

## Course Description

**Take lively classes with friendly teachers!  
Make lots of wonderful Korean friends and memories!**

The course focuses on developing the conversational skills of students through student-oriented projects. The three-week intensive program is scheduled from August 1 to August 19, and students meet Monday through Friday, from 9:00 a.m. to 1:00 p.m. The class is divided according to students' result of level test. Each class consists of about 12 students.

### 01 | Korean Language Class

Korean language classes are offered based on students' proficiency levels, and feature skills-based and textbook-centered lessons. Our highly effective approach to Korean as a living language will have students speaking, listening, reading and writing with confidence by using the textbook, Active Korean, Vol 1-4.

### 02 | One-on-one Buddy Program

Each student will have a buddy, a student of Seoul National University, who will assist the learner with his/her language study and the various aspects of campus life during the program.

### 03 | Credit Transfer (3 units)

Credits may be transferred to several universities outside of Korea. Students need to verify in advance with their respective schools whether credits can be transferred from LEI-SNU to their university. A complete Korean language course is equivalent to 3-credits of a regular academic program. Upon request and payment of postage, LEI-SNU will issue an official transcript to the organization designated by the student.
