Applications are now open!

Youth Challenge Australia's (YCA) exciting new Volunteers In Community Engagement (VoICE) program offers skilled young Australians the opportunity to volunteer in India on 15 week placements. The first round of VoICE placements depart in September 2011. This is a fantastic opportunity to gain professional experience working alongside YCA's partner organisations, local counterparts, and local communities to build the capacity and strengthen the sustainability of local development initiatives.

YCA is proud to have the support of the Australian Government's AusAID 'Australian Volunteers in Development' program for these placements, as recognition of the substantial contribution which the VoICE Program will make to cross cultural understanding, poverty reduction and sustainable development.

VoICE in India has a range of placements suitable for volunteers from a range of backgrounds, including those with skills and experience in Health, Research, Film & Photography, Education, Policy, Human Rights and Development.

Applications are open to anyone who is...

- An Australian citizen;
- Aged between 21 and 30 (at time of departure);
- Available to undertake a 15 week placement commencing in September 2011;
- Motivated to make a difference in the world;
- Equipped with skills and experience across relevant areas.

Not available in September? Keep an eye out for later rounds, with placements available in India, Guyana, Guatemala and Vanuatu.

For details on the placements and how to apply, have a look at the YCA website:
