

Start your career in China

The Australia-China Council and the China-Australia Chamber of Commerce offer the unique opportunity for Australian students to work and learn Mandarin in China. The goal of this program is to foster a generation of young Australian leaders who are fluent in the language, culture and economy of China. These future leaders will form the backbone of an advancing Australia-China relationship that will strengthen the bilateral links between the two countries.

Successful applicants will receive

- Return flights to China
- A minimum 9 month internship with a participating company
- A stipend to cover living costs
- Mandarin language training
- Sponsorship to attend AustCham industry events
- Mentoring

Positions available across 7 sectors

- Australia-China Commerce
- Australia-China Legal
- Australia-China Consulting
- Australia-China IT & Emerging Technologies
- Australia-China Engineering, Architecture & Design
- Australia-China Arts & Humanities
- Australia-China Minerals & Energy
