# Spanish in Mexico: Information Session

Friday 19 August 2011, 4pm  
Level 16, Mathews Building

1 January 2012 - 28 January 2012: Oaxaca, México

UNSW Study Abroad, in collaboration with the UNSW Department of Hispanic Studies, offers students the opportunity to study Spanish intensively in México for four weeks.

## Academic credit

Students successfully completing the course will receive 6UOC in transfer credits.

## Eligibility

Students may study beginner level Spanish language courses and therefore there are no prerequisites to be eligible to enrol in this language course.

## Package inclusions

- » Four weeks intensive language classes
- » Mexican cultural seminars and activity workshops
- » Homestay with a family
- » Optional excursions to surrounding archaeological sites and craft villages
