International Summer University Program (ISUP)

23 June – 3 August 2012

Study in a truly international environment! Broaden your educational horizons as a participant in Denmark's largest and longest running summer university program at Copenhagen Business School (CBS), one of the leading business schools in Northern Europe. The International Summer University Program (ISUP) draws around 1,500 participants from more than 50 countries. Our students pursue a six-week program and enroll in up to 15 ECTS credits (half a semester's full course load). Selected three-week intensive graduate courses followed by a three-week project assignment are offered to enhance your professional development.

Course Offerings

ISUP 2012 will offer approximately 55 courses at the undergraduate and graduate levels. At CBS you can take part in a wide range of classic business courses, as well as more diverse courses that draw on other academic disciplines, for instance Humanitarian Operations, Social Media Marketing and Data Mining tools for Business. Students must be in good academic standing, have a high English proficiency and fulfill the admission requirements listed on our website www.cbs.dk/summer.

Cultural and Social Program

To complement our academic program, the Summer University offers the opportunity to take part in an action-packed cultural and social program. Taking part in this program is a wonderful opportunity for international participants to get to know each other, Copenhagen and Danish culture through specially-arranged activities such as international dinners, city tours, and folk-dancing, as well as a weekend-trip to Berlin.

Why Copenhagen?

CBS is an internationally recognized and accredited urban institution located in the heart of Copenhagen, the capital of Denmark. Known for its charm and the aesthetic combination of historic and modern cultures, Copenhagen is one of the world's oldest and loveliest cities.

For further information about ISUP courses, housing, social activities as well as application procedures and deadlines please visit our website www.cbs.dk/summer.
