**SUMMER COURSE – 02<sup>nd</sup> till 07<sup>th</sup> July 2012**

## **PORTUGUESE LITERATURE**

Designed for students from foreign universities, especially from the Portuguese communities, but open to all whom are interested in it, this summer course will take place from the 02<sup>nd</sup> until the 07<sup>th</sup> of July of 2012. The program's purpose is to dedicate itself to several areas of the Portuguese Literature, in a panoramic view that will have continuity in future editions. Furthermore, in order to boost exchange between universities, there will be time dedicated to classes, conferences and discussions by teachers from other universities whom might be accompanying their students.

Students, especially post-grad ones, whom prefer a more intense and personalized work program may request it to the International Relations Office, until the 31<sup>st</sup> of March. The preferences must be specified (literary genre, theme, space in time) in order for the request and availability of the resources needed to be analyzed.
