Student VIDEO Competition

Two prizes of \$750 USD!!

Towards travel expenses to
present during the U21
UNMDG Workshop in
Auckland, New Zealand
on 3 & 4 September,
2012

TOPIC: What is your university/faculty/school/student group doing or implementing to help achieve the United Nations Millennium Development Goals?

Open to all graduate and undergraduate students in U21 Universities.

The objective of the competition is to encourage students who are involved in UNMDG/ community placements, projects or activities to record their experiences and share these with other interested students and academics via the U21 MDG4HEALTH website. The competition is also an opportunity to source videos to promote the website and the work of the U21 UNMDG group.
