

Student Leadership in International Cooperation (SLIC) Project

Program outline

The SLIC Project will support two separate groups of Go8 higher degree research students to undertake a two-week visit to a number of C9 universities in China during early-mid 2013.

The program will support each student participant up to \$5,000 for the cost of visiting the C9 universities, which may include airfares, accommodation or other costs associated with the visit.

Group	Group Participant	Group Itinerary	Timeframe	Debriefing
Student Group A	Eight student representatives (i.e. one nominated graduate student from each Go8 member)	Visit four or five C9 universities	The two groups will undertake their two-week visit in China at a similar time during early-mid 2013 (<i>possibly in March-June</i>).	Both groups will attend a joint debriefing event after their return to Australia. Relevant DIISRTE people will be invited.
Student Group B	Eight student representatives (i.e. one nominated graduate student from each Go8 member)	Visit the other four or five C9 universities
