*Learn how to do business in China in Peking University
Get to know ancient and modern Beijing*

IN TWO WEEKS' TIME!

Guanghua International Summer Program
Doing Business in China (DBIC)

Educating on China since 2006

Undergraduate Class:

May 19 – June 1, 2013

Graduate and MBA Class:

May 19 – June 1, 2013

June 9 - 22, 2013

June 16 – 29, 2013

This course gives an overview of doing business in China, including an introduction to the Chinese economy, history and culture. Lectures and seminars on a wide range of topics allow the participating master students to:

- Understand the driving force of China's economic growth phenomenon over the last 30 years and the future
- Appreciate the uniqueness of the Chinese market, organizations, and social structure
- Learn how firms conduct marketing, branding, human resource and strategic management in China
- Identify business opportunities in China.
