

# Ochanomizu University

## Summer Program in Japanese 2013

### Outline of the Program

- Target: Students from partner universities who are learning Japanese
- Japanese level: Intermediate (N3~N4, approx. 20 students)
- Dates: July 15<sup>th</sup> (Mon) -July 31<sup>st</sup> (Wed.), 2013 (90-min. classes/day; 4 credits earned)
- Location: Ochanomizu University, Tokyo, Japan (<http://www.ocha.ac.jp/en/access/index.html>)

### Objectives of the Program

- 1) To build academic Japanese language skills  
Project work classes will be included in which students investigate themes relating to Japan and Japanese culture and report the results.
- 2) Understanding of multiple cultures and languages  
By mixing not only with Japanese but with students from many different countries taking part in the program, students will deepen their intercultural understanding.

### Class Contents

9:00-10:30: Comprehensive Japanese

Japanese language class for well-balanced growth in listening, speaking, and writing skills

10:40-12:10: Project Work

Deciding and investigating a theme relating to Japan and Japanese culture, writing a report, and presenting it orally (building skills for discussing in Japanese, writing academic reports, and making presentations)

Afternoons and weekends: Culture classes and Outside training

Flower arrangement, kimono wearing and other culture classes and outside training

## Program Benefits

1. Credit transfer: Grades and 4 credits given
2. Understanding of Japanese language and culture enhanced through project work and getting to know Japanese students
3. Accommodation available around ¥35,000-59,000 for three weeks

## Schedule

April: Program invitations sent to partner schools

May : Applications accepted

Recommendation by the applicant's university is a prerequisite.

Screening will be made if applications exceed the capacity.

June: Selection of students

July-August: Conduct Summer Program
