PNU

WINTER SCHOOL

Pusan National University, Korea

PUSAN NATIONAL UNIVERSITY, KOREA

Why PNU?

SEOUL
KOREA
BUSAN

Pusan National University is one of the top ranked universities in Korea and leads the nation in research and higher education. Established in May 1946, the university provides educational opportunities in almost all areas of study and supports the needs of quality higher education in the southeastern area of the country. As of January 2014, around 2,800 staff, including 1,190 full-time professors, 560 administrators and 200 department coordinators, are engaged in academic support. Approximately 28,000 students, including 1,040 international students, are dedicated to research and studies at PNU in various programs including humanities, sciences, engineering, nano-technology, life-science, law, business, arts, medicine, among many others.

PNU, a renowned world class university, is ready to make your dreams come true!

Academic Standings

No. 1 among national universities in Korea, **No. 9** among domestic universities, **No. 64** among Asian universities, according to the 2013 Chosun Ilbo & QS Asian University Rankings.

No. 1 in number of published papers per professor among national universities in Korea during 2012.

No. 1 in number of alumni executives in domestic top 10 corporate groups among regional universities in 2012.

No. 4 in number of executive posts (88) in Korea's top 4 Groups – Hyundai Motors, LG, SK, Samsung in 2012.

No. 5 among university research centers as evaluated by Ministry of Education, Science and Technology in 2011.

Why Busan?

Busan Metropolitan City, Busan Metropolitan City, a bustling city of approximately 3.6 million residents, is located on the southeastern tip of the Korean peninsula and is the second largest city in Korea. Busan is also internationally known as a world class destination of tourism and culture.

*For more information on City Busan, go to <http://dynamic.busan.go.kr/>.

• PNU Winter School: January 19(Mon) – February 4(Wed), 2015

The **PNU Winter School** provides foreign students with an enriched cultural and educational experience for two and half weeks. The program consists of a series of lectures covering subjects on Korea and various activities including a ski trip, a temple stay and etc.

• Course Information

Cultural and Historical Heritage of Korea

The course is mainly comprised of two parts. The **lecture** part will introduce the arts and culture of Korea from the prehistoric period to modern times. Significant examples of paintings, ceramics, sculptures and metalworks will be examined in their historic and cultural contexts. In addition, the cultural heritage of Busan will be explored in detail.

The **cultural activities** part is geared to offer students a chance to satisfy their cultural curiosity about Korea by participating in activities concerning the most traditional to the most contemporary Korean culture.

Language of Instruction : English

Academic Credits : 3 credits

Students who wish to transfer credits need to obtain pre-approval from the relevant authorities at their home institution.

• Cultural Activities

Sky Trip (2 nights & 3 days)

Students will enjoy a ski trip at one of the most popular ski resorts in Korea : High 1 Ski Resort. Located in one of the most pristine regions of Gangwon-do, the Resort offers 18 fantastic slopes. This package trip includes everything from transportation, ski equipment rental, ski wear rental, unlimited lift usage, accommodation, ski lessons, insurance, night skiing, and to some meals for 3 days.

Temple Stay (1 night & 2 days)

Students will have a unique opportunity to learn and experience Korean Buddhist culture at the temple Beomosa Temple. Built in 678, Beomosa is one of the oldest and largest temples in Korea. The program features chanting services, 108 prostrations, Dado (tea ceremony), and has a strong emphasis on Seon Meditation.

Taekwondo

Taekwondo is a traditional Korean martial art, which is and an Olympic sport. It is an art of self-defense that uses hand and feet movements. Students will learn the basic movements and forms of this traditional martial art, while wearing the Taekwondo uniform (called dobok).

K-Pop Dance

Want to learn famous dance moves of Girls' Generation, EXO and other K-pop stars? Students will have a chance to understand the contemporary Korean culture and learn dance moves of popular K-pop singers that will make K-pop enthusiasts jealous.

Making Korean Food

The popularity of Korean food is rising throughout the world. Students will have the chance to cook traditional Korean dishes and experience Korean culinary delights.

UN Memorial Cemetery

Students will visit the United Nations Memorial Cemetery in Busan, the only one of its kind in the world. There rest heroic brave soldiers from a number of UN nations, who sacrificed their lives for world peace and freedom.

Busan Museum

Further to lectures in classroom, students will have a chance to visit the Busan Museum where students can see the remains and relics showing the history and culture of Busan from the prehistoric times to the present age.

Wearing Hanbok

Hanbok, a type of traditional Korean clothing, is now only worn during national holidays or weddings. The beauty of hanbok is in its clean, artistic lines and its vibrant colors. Students will understand traditional Korean fashion and sentiment by wearing the traditional garments.

○ LIFE in BUSAN

VISA

A short-term visitor's (C-3) visa is sufficient for all program participants. No special documents are required for a short-term visitor's visa. You need only submit a valid passport, a completed visa application form, and a recent photo to the nearest Korean Embassy or Consulate. However, under visa exemption agreements, some foreign citizens, such as Japanese citizens, are allowed to stay in Korea for up to three months without a visa. In certain cases, you may need to submit a letter of invitation, which we will send to you after screening.

Accommodation

The student dormitory is available to the winter program participants. Dorm rooms are western-style with twin beds. Each room is fully furnished, but students should bring their own beddings and towels. Beddings rental is available at a reasonable cost. Meals are provided at the dormitory cafeteria (cooking is not permitted in the dormitory). The dormitories provide other facilities such as shower rooms, laundry facilities (coined washing machines and dryers), a student's lounge, and a gym. For internet use, every room is equipped with LAN connections.

Medical Insurance

The program fees do not cover medical insurance for participants. Students must purchase their own medical insurance before arriving in Korea.
